

STANDARD LAMINATED TAPES

Our standard laminated tapes offer a wide variety of colors, styles and sizes for your everyday home, home-office and general business office needs. These laminated labels feature our standard adhesive, which is designed for flat items like office paper, file folders, binders, and most flat, non-textured metal, plastic and glass surfaces.

Laminated Tape Structure

Image is for illustrative purpose only

They withstand water, grease, grime, the laminated surface wipes clean – fading and abrasion. Can also be used in hot and cold environments, as well as outdoors.

There's a variety of colors, styles and sizes – from 3.5mm to 36mm – to choose from, depending on your P-touch electronic labeler.
